

GENERAL TERMS AND CONDITIONS FOR THE TM2 POSTCODE SERVICE

1. The TM2 Postcode Service is a licensed additional service to the standard TM2 Product. This is a pay per search service which you will be billed for every time you perform an address lookup using the TM2 Application.

2. You agree to pay Blue Zinc the cost of all Postcode searches by monthly Direct Debit at the rates noted below, or the current standard rate. Direct Debits are collected on or around the 15th of each month. Monthly itemised statements are not included in the pricing of TM2 Postcode. If you require a statement, there will be a small charge to produce this.

5. Blue Zinc IT reserve the right to change the cost per postcode search by giving 1 month's notice by email.

6. To cancel your TM2 postcode service, please contact us in writing and we will stop your service on the date you request. You will be billed for any outstanding messages at the following billing date.

CURRENT POSTCODE MESSAGE PRICING

As of January 2011, TM2 Postcode is charged per search. A search costs 5.0p excluding VAT (6.0p including 20.0% VAT)
